

## 6th Rheology Conference 2016 19 – 21 September 2016

CSIR International Conference Centre, Lynnwood Ridge, Pretoria

### Call for Abstracts

The South African Society of Rheology (SASOR) invites all rheologists, academics, students and industry involved in the field of rheology to learn and share your experiences and knowledge at the above conference.

Areas of interest include:

- Emulsions
- Dispersions
- Suspensions
- Slurries
- Polymers
- Food, Cosmetics and Pharmaceuticals
- Asphalt
- Coatings
- Biological Fluids

In the next month, at least 4 international plenary speakers will be confirmed and notice will be given of their topics.

There will be two sessions into which your abstract can be placed. This will be either a Technical Forum which covers rheological techniques and application or an Academic Forum which covers the science. You are welcome to submit an abstract for both sessions.

Abstracts can be submitted online by selecting the abstract submission link before 1 May 2016. There are clear instructions to authors available on the website.

Notice of acceptance will be given on 5 July 2016 and extended abstracts would be required to be submitted by 19 August 2016 for placement in proceedings.

Authors undertake to attend the conference and present their papers.
