

Please join our webinar

SASOR and ThermSA are excited to invite you to our upcoming webinar on Thermal Analysis and Rheology

Date: 11 November 2024

Time: 13:00-14:00

Join via Google Meet: [SASOR-ThermSA webinar](#)

Rheometry as a tool for innovation in the mining industry

Dr Ellina Kharatyan
AECI Mining Explosives

Dr Jayita Bandyopadhyay

Centre for Nanostructures and Advanced Materials,
DSI-CSIR Nanotechnology Innovation Centre.

Influence of crystallization and growth mechanism on the dimensional stability of a polypropylene nanocomposite

Click on the presentation titles to access the abstracts

Feel free to invite others who might be interested. We look forward to having you join us!
